TABLEWARE SOLUTIONS

# Dalebrook®

## Be inspired by our latest tableware designs and innovation

As a top choice for many chefs, Dalebrook's Tableware Solutions are all-embracing; helping restaurants to stand out from the crowd, communicating their personality and style in seconds.

Dalebrook understands that it isn't only about the food on offer, but how it is presented. Thoughtful use of our tableware will create a memorable dining experience that ensures diners return time-after-time.

## VERSATILE

Responding to the growing demand in the hospitality sector for versatile tabletop solutions, Dalebrook has designed an exciting collection of eye-catching, modern, high-quality tableware to enhance food presentation in any environment.

## PROVEN

Independent, comparative materials tests; subjecting melamine, ceramic, china and natural materials to the stress and vigour of everyday service, has proven Dalebrook's products outperform those materials on many levels without compromising on style, performance, safety or quality.

## RELIABLE

Offering exceptional durability and reliability that will save restaurateurs time and money, Dalebrook's easy to use and hygienic tableware collection gives flexibility to any tabletop setting.

## NEXT GENERATION OF PROFESSIONAL TABLEWARE

### Next Generation Melamine V Traditional Ceramic

**Durable**, Impact resistant  
**4x stronger** than ceramic  
\*ASTM C368-88

Handle carefully,  
**4x more likely to break**  
\*ASTM C368-88

**\*Easy to clean**  
non-porous,  
hygienic material

**Twice as likely to chip and splinter** compared to Dalebrook melamine  
\*BS EN 12980:2000

**Dishwasher safe**,  
as good as new  
even after  
**500 cycles**  
\*BS EN 12875-4:2006

**\*Prone to shatter exposing sharp edges**

**\*Scratch Resistant**  
even after  
**500 washes**

**\*High replacement costs** due to breakages

**\*Scientifically proven** to harbour less bacteria than ceramic equivalent

**\*Due to the porous nature of the material and glaze, damaged ceramic tableware harbours bacteria**
