

GIOBAGNARA

GIOBAGNARA

Recognized for distinctive, elegantly designed creations that express luxury without ostentation, and which are available in an exceptional and virtually limitless color palette of leathers and suede, GIOBAGNARA adheres to the highest standards of craftsmanship, incorporating traditional know-how and leading-edge technology.

This approach to tradition and modernity has permitted Giorgio Bagnara to experiment: he constantly pushes technical limits in his quest for pieces that are both beautiful and relevant, and in doing so counts on the expert skills of the brand's craftspeople. In a short span of time, GIOBAGNARA has become renowned for its expertise, and its founder has become a key partner for a large number of interior decorators as well as yacht and private jet designers who rely on his know-how for special commissions.

In 2015, Giorgio Bagnara expanded his leather goods portfolio with the acquisition of the saddle leather specialist RABITTI1969.

In 2017, he initiated a collaboration with Stéphane Parmentier, who was appointed creative director of the GIOBAGNARA brands.

In 2018, the expansion of the portfolio proceeds with the strategic acquisition of PIGMENT FRANCE, a respected company with specialized skills in leather covering and the weaving of wicker, rattan and straw.

Today, two decades after its founding, GIOBAGNARA employs more than 60 people and has one of the most comprehensive offerings of quality leather homewares on the market and is preparing to embark on a new chapter.
